PIG on the POND

COMMUNITY FESTIVAL

FUNDING SCHOLARSHIPS

Pig on the Pond Community Festival, presented by APC Roofing and the City of Clermont, began 26 years ago as a small afternoon barbecue competition. The purpose then, as it is today, was to raise funds for scholarships to help local students in need of financial assistance who dreamed of attending college. With the support of hundreds of volunteers, the Community Foundation of South Lake, and the unflagging dedication of Cheryl Fishel, the event grew into a three-day, signature event for the greater Clermont area. It is now the largest-attended festival in South Lake and has been voted one of Central Florida's most popular festivals.

Pig on the Pond is hosted by Project Scholars, a 501(c)(3) non-profit. The organization is led by a dedicated volunteer board of directors with a heart for the South Lake community. Project Scholars has raised and distributed over \$400,000 in scholarships for 400+ South Lake County students.

We wish to thank the residents and business owners who have truly made our motto come true: Nurturing dreams through education.
