Waterfront Park | Clermont, FL

MISSION

Pig on the Pond is Clermont's largest annual festival; held each year at the beautiful Waterfront Park. It is hosted by Project Scholars, a 501c3 nonprofit that provides 4-year college scholarships for South Lake students.

Since its inception in 1998, the Pig on the Pond Community Festival has awarded **more than \$400,000 in scholarships** to high school seniors in our community. The success of Pig on the Pond is directly attributed to dedicated community partners, as your financial and volunteer support allows for the mission of the organization to continue.

Sponsorship of this year's event will provide your company with a unique marketing opportunity while creating a positive impact for the next generation. From traditional earned media to in-kind exposure from media partners, Pig on the Pond will garner media attention across the City of Clermont.
